Michael Pittakas

Inducted into Manchester Who's Who Executive and Professional Registry

Long Beach, New York, September 9, 2006 –

The Manchester Who's Who Registry of Executives and Professionals recognizes Michael Pittakas, CEO and President of Computer Works Consulting, Inc., for his professional accomplishments. His induction into the Manchester Who's Who Registry acknowledges his success and professional achievements. Manchester Who's Who is committed to providing professional networking services and recognizing the achievements of executives and professionals worldwide.

Mr. Pittakas has an impressive background in computer consulting and cabling. It is his experience and expertise in PC repair, networking, cabling, wireless networking, virus and spyware removal and hosting that enhances the professional services provided by the company. He works diligently to maintain its outstanding reputation.

As a leader who has been very successful in his field for 12 years, he attributes his personal and professional achievements to his customer service skills and referrals. He got involved in his profession because he enjoyed using his skills and working in a hands-on environment and has since greatly enjoyed great accomplishments in the industry.

In addition to his professional accomplishments, Mr. Pittakas has an impressive academic background. He holds an Associates Degree in Computer Electronics from Briar Cliff University and studied computer electronics at BOCES of Westbury. Mr. Pittakas is also affiliated with numerous organizations and is a Microsoft System Builder and APC Value Partner.

In his spare time, he enjoys collecting hot rods.
